

Newsletter – June 2018

Dear project partners,

Summer is here and we would like to inform you about the latest news and upcoming activities in the project.

- All partners should now have access to the reporting system (SL2014) and most of the partners have added a payment schedule for the coming quarters. If you have not yet done this, please do. (WP1)
- The project structure stating members of the steering group and the management group is found in the LU Box. All steering group members will be contacted about a meeting after the summer. (WP1)
- A reference group meeting will be held after summer. LP will during the meeting inform the reference group about the activities in the project. If other partners would like to take part in the meeting you are welcome to contact us.
- All partners have been sent the Partnership Agreements for signing. Most of the PA:s have already been signed and returned. Thanks to all for good collaboration on this! (WP 1)
- The project web site (<http://www.gfwlm.nazwa.pl/projekty/less-is-more/>) and a flyer is now available thanks to Gdansk Water Foundation and in addition they have also made a roll-up and added information about the project at Linked in <https://www.linkedin.com/feed/update/urn:li:activity:6404278216286040064> (WP2)
- **A project meeting (with steering group meeting) will be held in Denmark on 28th -29th November (lunch to lunch) – more info will come. (WP1-4). Welcome!**
- A working document about the pilot trials has been updated and the planning and construction of pilot plants is proceeding. (WP3)
- Simon Gidstedt (new PhD-student working in the project for Sweden Water Research and Lund University) has started to collect some data from the wastewater treatment plants (Kretinga, Slagelse and Svedala) and to plan an initial sampling for analysis of micropollutants after the summer (WP4).
- Erland Björklund (Kristianstad University) represented the project at the annual Interreg South Baltic event in Klaipeda in May. Many thanks!

If you have any questions don't hesitate to contact us.

We wish you all a nice summer,

Åsa & Michael
